INTRODUCTION

The Crypto universe is in danger.

A group of sinister villains has launched an all-out attack, threatening the very existence of the industry.

Can anyone save the crypto world from utter destruction?
Can these villains be stopped before it's too late?

There is only one hope!

PLAY AND EARN GAME

The crypto world needs to hit a \$5 trillion market cap in order to flourish. Your CRYPTO CREW superhero NFT travels from major city to major city collecting crypto while battling villains like FUD, Bear, Hacker, Red Candle, and Black Swan who seek to destroy the industry.

When your superhero collects \$1 trillion, he advances to the next city. If he is unable to fend off the attacks of the villains and losing all his crypto, the game ends.

METAVVERSE

CRYPTO CREW NFT ownership provides entrance into our Spatial Metaverse experience.

MERCHANDISE
